

# ALOK KUMAR GAUTAM

Software Engineer (Java Developer)

[alokgautam742@gmail.com](mailto:alokgautam742@gmail.com)

+91-9575401761

## CAREER OBJECTIVE:

Seeking a position in life to utilize my skills and abilities and achieve professional growth while being resourceful, innovative and flexible. To add valuable assets to your esteemed organization as an active member.

Having Skills of Corporate training and project Managemnet i can use my skill to deliver best Knowledge from my side.

## EDUCATION & ACADEMICS QUALIFICATIONS:

- **Bachelors of Engineering in Computer Science engineering** from Vikrant Institute of Technology and Management (Indore) with **7.35 CGPA**.
- **Redhat Linux Certified System Administartion ( RedHat Inc.)**
- **6 Month Internship on AWS Cloud computing & Web Development (JAVA programming)** at Fluke Infotech LLP (Indore).
- **Internship on DevOps , Machine learning using Python & redhat linux** at Linuxworld informatics pvt. Ltd (Jaipur)

## TECHNICAL SKILLS

Java Programming (Core + Advance) , Python Programming, C & C++ programming , Computer Networking , Linux (Redhat enterprise linux) , Python Scripting and Automation. MySQL Database , Hadoop (Big Data Clusters) , Docker (Contenerization) , Ansible (Automation-DevOps) , Virtulization.

## CERTIFICATE

1. Redhat Linux Certified System Administration
2. Training Certificate : Artificial Intelligence, Machine learning , Deep learning Using Python Programming . Implementation of High performance distributed computing for Big Data using Hadoop (Java Programming) .
3. Training Certificate : Deploying Application on large Clusters under containerized Docker engine deployed by DevOps Ansible.
4. Winner of Ninja Coding (Java programming ) competition At VITM Indore.

## PROJECTS

1. Real Time Tracking Vehicle and cab booking Service for citizens using Java Programming along with Java scripts with Apache tomcat server implemented on Linux based OS.
2. Artificial Intelligence, Machine learning , Deep learning implementation of High performance distributed computing for Big Data By using Python programming language. Batch processing using (Java programming language) Hadoop framework and real time processing using Spark and Running Application on large Clusters under containerized Docker engine deployed by DevOps Ansible. – Super Computing Operational intelligence Tool Splunk - future over cloud using python Programming.
3. Launching Linux operating system's terminal very quickly in web browser by using Docker and help of python programming.
4. Delivered Successful Training on Java Core and Java Advance programming language.
5. Responsive Web Development using FrontEnd ( HTML , CSS , Java Script along with bootstrap ) and Java Advance as Backend to manage MySQL Database control Login credentials.

## STRENGTH

My **Believe** is my biggest Strength of my life

I have **positive attitude** to deal with people, Capable of working independently.

## PERSONAL INFORMATION:

Name : Alok Kumar Gautam  
Date of Birth : 22 May 1999  
Nationality : Indian  
Languages Known : Hindi, English  
Hobby : Listening songs , learning technologies

**Declaration** : All the information given above is true at the best of my knowledge.

**Date :**

**Place :** Rewa
